PEEL & STICK
ON MONITOR OR TOOL BOX

www.DormanProducts.com
OE PROBLEM:
Original actuator fork typically fails due to broken alignment pin and excessive wear on contact pads.

Part Shown:
4WD Actuator Fork
2009-02
Ascender, Bravada, Rainier, Trailblazer, Envoy, 9-7x

Tech Support Available: 1-800-868-5777
Antenna Masts
Provides reception for radio unit
76002: Hyundai, Kia 2012-05, Infiniti 2009-03, Kia 2016-14, Nissan 2017-03
• Restores the ability to receive signal from local and satellite radio stations
• Made of quality materials for added durability and a longer service life

Automatic Transmission Shift Lever Knobs
Attaches to shift lever to change gears
76818: Chevrolet Camaro 2002-01, Cavalier 2005-97
• Matches the overall aesthetic design of the original knob
• Easy to install, direct-fit replacement

Battery Tray Brace
Secures battery to chassis
00082: Chrysler 200 2014-11, Sebring 2010-07, Dodge Avenger 2014-08
• Durable steel construction, coated for extra protection against corrosion
• Includes necessary mounting hardware for a complete repair

Battery Tray
Holds vehicle battery in place
00085: Cadillac Escalade 2006-04; Chevrolet Avalanche, Silverado, Suburban, Tahoe 2007-05; GMC Sierra, Yukon 2007-05
• Prevents battery from moving and damaging surrounding objects
• Easy to install, direct-fit replacement

Bumper Cover Grilles
Protects fog light components from road debris and moisture
45185: Ford Explorer 2005-03
• Made of sturdy impact-resistant material for added durability and a longer service life

Center Console Hinge Repair Kits
Repair kit for a broken or damaged center dash console
41053: Ford Focus 2007-04
• Includes required washers and screws for a complete repair
• Replace the piece not the assembly
**Center Console Latches**
Secures console lid in closed position

924-855: Ford F-150 2003-97
- Includes required bolts for a complete repair

---

**Cowl Cover**
Covers the gap between the vehicle hood and windshield

30041: Chevrolet Avalanche, C1500, C2500, C3500, K1500, K2500, Silverado, Suburban, Tahoe 2007-99
- Mounting hardware included for a complete installation
- Made of high-quality materials to match the aesthetic design of the original cover

---

**Disc Brake Caliper Covers**
Enhances appearance of rusted brake calipers

11-0004F: Chrysler 300 2016-11, Dodge Challenger, Charger 2016-11
- Includes all necessary hardware for a complete installation
- Features a unique fastening system for easy installation and comes with easy-to-follow instructions

---

**Door Latch Assemblies**
Controls the vehicle’s locks and holds the door shut while driving

940-200: Dodge B1500, B2500, B3500, Ram Van 2003-95
- Direct replacement for a proper fit every time

---

**Door Lock Actuator Motors**
Electric motor located inside door latch controls lock and unlock functions

- Dorman has exclusive coverage on many early and late model DLAs including integrated door lock actuators

---

**Door Mirror Switch**

901-182: Chevrolet Silverado; GMC Sierra 2014-07
- Plug and play installation requires no programming
- Designed to match the appearance of the original switch
Door Window Switch Bezels
Made to match the overall aesthetic design of the vehicle’s door panel
76115: Dodge Ram 1500, 2500 2005-02
• Material durable & long lasting
• Available in black and tan

Fuel Door Hinge
A direct replacement, easy to install fuel door hinge assembly
924-801: Ford F-150, Lobo 2008-04, Lincoln Mark LT 2008-06
• Built with upgraded materials to resist bending and snapping

Fuel Filler Door Switch
Operates fuel door lock mechanism
• Restores the ability to release the fuel door or hold it closed

Glove Box Door - Volkswagen
Exclusive glove box door, now available for late-model Volkswagen Golf and Jetta applications
• Matches the aesthetic design of the original door
• Replace the piece not the assembly

Grab Handle
Interior pillar trim panel with grab handle, direct fit, easy to install replacement
97630: Dodge Ram 1500, 2500, 3500, 4500, 5500 2010-02
• Made to match the aesthetics of the original grab handle
• Durable plastic construction to withstand years of use

Failure Mode:
• Normal wear and tear, visible cracks in plastic

Also Available
76116: Dodge Ram 1500, 2500 2005-02
76114: Dodge Ram 1500, 2500 2006-02

5 SKUS AVAILABLE
Headlight Level Sensors
Communicates the appropriate headlight level to the light adjusting motor
• Manufactured with thicker materials for increased durability

Hood Latch Assemblies
Keeps the vehicle's hood closed
820-800: Nissan Altima 2017-07
• Durable steel construction
• Features protective coating for added corrosion resistance

Liftgate Lock Actuators
Electric motor that opens, locks and unlocks the vehicle liftgate
746-264: Jeep Commander 2010-06, Grand Cherokee 2010-05, Liberty 2012-02
• High-quality electric motor
• Direct replacement for a proper fit every time

Failure Mode:
• Original electrical motor wears out over time resulting in inoperable liftgate

Liftgate Release Switches
Restores proper operation to the liftgate door release
901-156: Cadillac Escalade 2014-07; Chevrolet Suburban, Tahoe 2014-07; GMC Yukon 2014-07
• Made of quality materials to withstand water, dust and dirt intrusion
• Easy to install - secure fit connector is plug and play

Multi Purpose Electrical Pigtails
Provides electrical power and signal distribution to various components throughout the vehicle
84401: Universal
• Made with extra-long leads and includes butt connectors for all wires for a complete repair (where applicable)
• Easy to install - no special tools required for installation

OVER 40 SKUS AVAILABLE
OVER 30 SKUS AVAILABLE
OVER 7 SKUS AVAILABLE
OVER 10 SKUS AVAILABLE
**Overhead Console Light Housing**

*Housing for the vehicle's overhead dome/map light*

**924-800**: Chrysler Town and Country, Voyager 2007-01; Dodge Caravan, Grand Caravan 2007-01

- Includes switches and bulbs for a complete repair
- Direct replacement for a proper fit every time

---

**Sun Visor Clips**

*Holds sun visor in place*

**76825**: Chevrolet Express; GMC Savana 2014-03

- Made of high quality materials to ensure a snug fit

---

**Sun Visor Light**

*Replacement marker lamp for cab visor of roof lights*

- Bulbs included for a complete repair (where applicable)
- Matches the overall aesthetic design of the original sun visor light

---

**Switches - Door Mirror**

*Driver side power mirror switch to adjust side view mirrors*

**901-164**: Ford E-150, 250, E-Super Duty, Expedition, F-150, F-Super Duty, Fusion 2016-05; Lincoln Mark LT 2008-06; Mercury Milan 2009-06

- Mechanical and electrical quality ensure long-lasting motor control
- Easy to install, plug and play design

**HOURS**: MON-THU 8AM-7PM EST; FRI 8AM-5PM EST
**Tailgate Moldings**
Protects the top of the truck's tailgate

**926-578:** Dodge Ram 1500, 2500, 3500 2010-09; Ram 1500, 2500, 3500 2016-10

- Easy-to-install, DIY-friendly replacement project
- Replacement molding matches the original equipment look and design

**USB Port Cover**
USB port cover replacement

**57018:** Various Chrysler, Jeep, Ram 2014-11, Dodge 2014-10

- Protects USB port/accessory power outlet socket from dirt and debris
- Easy to install

**Vent Window Motor**
Opens and closes rear vent windows

**948-800:** Toyota Sienna 2016-04

Durable, molded plastic housing protects gear armatures and motor against water intrusion

Mounting bracket included for a complete installation

**Window Guides**
Secures window glass to regulator

**45368:** Ford F-150 2004-01

Save time and money by replacing the failed original window guide, instead of the entire window glass

Direct replacement for a proper fit every time

**Windshield Washer Nozzles**
Sprays washer fluid on windshield

**47277:** Dodge Caliber 2012-07

- Replacement of a failed washer nozzle will restore the proper spray pattern, for better cleaning
- Ideal for repairing damage incurred during car washes or snow and ice removal

**Failure Mode:**
- The original nozzle becomes loose and doesn’t function properly, resulting in a poor spray pattern

**Tailgate Moldings**
Protects the top of the truck's tailgate

**926-578:** Dodge Ram 1500, 2500, 3500 2010-09; Ram 1500, 2500, 3500 2016-10

- Easy-to-install, DIY-friendly replacement project
- Replacement molding matches the original equipment look and design

**USB Port Cover**
USB port cover replacement

**57018:** Various Chrysler, Jeep, Ram 2014-11, Dodge 2014-10

- Protects USB port/accessory power outlet socket from dirt and debris
- Easy to install

**Vent Window Motor**
Opens and closes rear vent windows

**948-800:** Toyota Sienna 2016-04

Durable, molded plastic housing protects gear armatures and motor against water intrusion

Mounting bracket included for a complete installation

**Window Guides**
Secures window glass to regulator

**45368:** Ford F-150 2004-01

Save time and money by replacing the failed original window guide, instead of the entire window glass

Direct replacement for a proper fit every time

**Windshield Washer Nozzles**
Sprays washer fluid on windshield

**47277:** Dodge Caliber 2012-07

- Replacement of a failed washer nozzle will restore the proper spray pattern, for better cleaning
- Ideal for repairing damage incurred during car washes or snow and ice removal

**Failure Mode:**
- The original nozzle becomes loose and doesn’t function properly, resulting in a poor spray pattern

**Tailgate Moldings**
Protects the top of the truck's tailgate

**926-578:** Dodge Ram 1500, 2500, 3500 2010-09; Ram 1500, 2500, 3500 2016-10

- Easy-to-install, DIY-friendly replacement project
- Replacement molding matches the original equipment look and design

- Ideal for repairing damage incurred during car washes or snow and ice removal

**Failure Mode:**
- The original nozzle becomes loose and doesn’t function properly, resulting in a poor spray pattern
Brake Hydraulic Line Kits

Steel brake lines carry pressurized fluid from the master cylinder to the brake caliper or cylinder at the wheel

919-222. Chevrolet Tahoe; GMC Yukon 2000-95
- Reduced labor cost of bending bulk roll

OE PROBLEM:
Original steel lines rust from exposure to moisture and corrosive road treatments.

OE FIX:
Upgraded stainless steel resists rust and corrosion. Preformed sectional design solution saves installation time.

Also Available

919-225
Chevrolet K1500; GMC K1500 1998-95

919-223
Chevrolet K1500 Suburban; GMC K1500 Suburban 1999-95

Over 50 Time Saving Tech Trays Available

Air Suspension Compressor Line Repair Kit
Connects the air suspension lines

OE PROBLEM:
The original unit frequently requires replacement due to brittle plastic construction.

OE FIX:
Upgraded lines to brass for increased durability and a longer service life.

Axle Bearing and Hub Assemblies
Connects the vehicle wheel to the CV axle

950-001: Lexus GX460, GX470; Toyota 4Runner, FJ Cruiser, Tacoma 2015-03

950-008: Infiniti FX35, FX45 2008-03
950-006: Toyota Sequoia 2016-08, Tundra 2016-07
950-004: Toyota 4Runner 2016-03, FJ Cruiser 2009-07, Tacoma 2015-05

OVER 65 SKUS AVAILABLE

Original OE Components

OE PROBLEM:
The original design requires a specialized shop press to disassemble/assemble hub bearing and wheel hub.

OE FIX:
Dorman consolidates all four components into one pre-assembled, ready-to-install unit; saving time and money.

Also Available

950-008: Infiniti FX35, FX45 2008-03
950-006: Toyota Sequoia 2016-08, Tundra 2016-07
950-004: Toyota 4Runner 2016-03, FJ Cruiser 2009-07, Tacoma 2015-05
Axle Pivot Bushings
Bushing used as the mounting point for crossmember
523-066: Toyota Corolla 2011-09, Prius 2009-05
- Made from high-quality materials for increased durability and a longer service life
- Available separately, eliminating the need to buy a whole set for a single repair

Body Mount Sets
Secures frame or subframe to vehicle body and dampens road noise and vibration
924-327: Ford Crown Victoria 2011-03; Lincoln Town Car 2011-04; Mercury Grand Marquis, Marauder 2011-03
- All necessary bushings and hardware are included for a complete repair (where applicable)
- Made of high-quality material to resist compression, cracking and separating

Coil Spring Mount Kits
Mounting point for coil spring
523-263: Jeep Wrangler 2015-07
- Save time and money by replacing the failed original mounts, instead of the entire axle assembly
- Constructed of durable steel for a longer service life

Coil Spring Bracket
Mounting point for the front upper suspension spring
523-210: Mercedes-Benz 2003-96
- Features an epoxy coating for high corrosion resistance and increased protection against the elements
- Made of durable steel for a longer service life

Frame Repair Kits
Weld on frame repair kit replaces the rusted section of the vehicle frame
523-217: Chevrolet Silverado; GMC Sierra 2007-99
- Reduce repair cost by replacing just the rusted section of the frame, instead of purchasing an entirely new vehicle frame
- Durable steel construction coated with weldable rust resistant primer for a longer service life

Leaf Springs
Suspension spring that absorbs bumps caused by uneven road conditions
929-404: Toyota Tacoma 2004-01
- Bushings included for a complete installation
- Coated for resistance to rust and corrosion

OVER 15 SKUS AVAILABLE

OVER 40 SKUS AVAILABLE

OVER 5 SKUS AVAILABLE

OVER 45 SKUS AVAILABLE
CHASSIS

**Radius Arm Bracket**
*Mounting point for the radius arm to the vehicle frame*

- All hardware included for a complete installation

**Suspension Control Arm Bumpers**
*Prevents suspension damage during excessive travel*

905-207: Cadillac Escalade 1999; Chevrolet Avalanche, Silverado, Suburban, Tahoe 2012-99; GMC Savana, Sierra, Yukon 2012-99
- Replacement prevents damage to control arm frame, shock mounts and other suspension components
- Made of polyurethane foam for long lasting durability

**Suspension Control Arm Bushings**
*Connecting point between control arm and vehicle frame or subframe*

523-668: Nissan Murano 2007-03
- Save time and money by replacing the worn bushing, instead of the control arm assembly
- Built with thicker, upgraded rubber to avoid deterioration

**Suspension Knuckles**
*Connects the wheels to the suspension*

697-912: Ford Explorer; Mercury Mountaineer 2005-02
- Direct replacement for a proper fit and trouble-free installation
- Rust and corrosion resistant

**Suspension Stabilizer Bar Bushings**
*Mounts the sway bar to the chassis*

928-5603: Chevrolet; GMC 2009-90
- Includes all mounting hardware for a complete repair
- Direct replacement for a proper fit every time

**Failure Mode:**
- Original bushing rusts and deteriorates over time, resulting in loose steering and clunking noise from the vehicle suspension

*Install Videos at YouTube.com/DormanProducts*
Truck Cab Mount
The mounting point between the vehicle body and frame
924-421: Ford Ranger 1997-86
- Manufactured from high-quality materials for long-lasting durability

Suspension Trailing Arm Bushing
Connects the trailing arm to vehicle frame
523-239: Volkswagen Cabrio, Corrado, Golf, Jetta 2002-92
- Reduce repair cost - replace the worn original bushing instead of the entire trailing arm assembly, saving time and money
Bung Repair Kit
Repairs broken EGT sensor inside the mounting bung
904-457: Various 2016-07
• Save time and money by replacing the broken EGT bung instead of the entire exhaust assembly
• Made of stainless steel for rust and corrosion resistance

Diesel Glow Plug Wiring Harnesses
Provides power to vehicle glow plugs
904-412: Ford F Super Duty 2010-08
• Direct replacement ensures a proper fit every time
• No special tools required during installation

Diesel Particulate Filters
New! Light and Medium Duty DPF, now available in the Aftermarket
674-1005: Dodge Sprinter 2500, 3500; Freightliner Sprinter 2500, 3500 2009-07; Mercedes-Benz Sprinter 2500, 3500 2014-10
• 100% new, not remanufactured - no core charge
• Includes all gaskets and hardware for a complete repair (where applicable)

EGR Coolers
Cools recirculating exhaust gas
904-493: BMW 335d 2011-09, X5 2013-09
• 100% new, not remanufactured - no core charge
• Material upgraded to stainless steel to prevent corrosion

Engine Oil Cooler Mount
Mounts the oil cooler to the engine block
• Durable aluminum and steel construction for a longer service life

Engine Valve Cover Gasket
Prevents leaks between valve cover and engine cylinder head
• Includes all necessary gaskets, seals and grommets for a complete repair
• Gasket is constructed of high-quality materials for increased durability against extreme underhood temperatures

Think It’s Dealer Only? Check Dorman First!
Fuel Injector Feed Line Seal
Seals fuel line through the valve cover

904-136: Chevrolet C4500 Kodiak, C5500 Kodiak, Silverado; GMC C4500 Topkick, 5500 Topkick, Sierra 2004-02

• Save time and money by replacing the failed original seal instead of purchasing an entirely new valve assembly
• Direct replacement for a proper fit every time

Fuel Injector Line
Delivers pressurized fuel from the high pressure fuel rail to the fuel injector connector tube

904-276: Ford F Super Duty 2010-08

• Includes inlet and return lines and mounting hardware for a complete repair

Nitrogen Oxide (NOx) Sensor
Detects nitrogen oxide levels in the vehicle’s exhaust system

904-6003: Blue Bird, Freightliner, Unclassified 2012-10, Sterling 2010

• Anti-seize coating pre-applied to prevent sensor damage from high engine temperatures
• Required to pass state emissions

Turbocharger Up Pipe Kits
Routes exhaust gases from the exhaust manifold to the turbocharger

• Stainless steel tubular construction protects against cracks and warping
• Includes all required gaskets, bolts and nuts for a complete installation

All Wheel Drive Coupling Oil Pumps
Pressurizes the rear differential when the All-Wheel-Drive (AWD) feature is activated
699-002: Volvo S60, XC70 2009-03, S80 2008-04, V70 2002-01, XC90 2008-03
• O-ring included for a complete repair
• Easy-to-install, just plug into mating component, no programming required during installation
Failure Mode:
• Bearing failure or internal short

Dorman Drive Shafts
Couples the transmission to the differential
936-059: Chevrolet Silverado 1500; GMC Sierra 1500 2013-07
• Dorman Drive Shafts are 100% new, not remanufactured
• Engineered with serviceable U-joints (where applicable)
Failure Mode:
• U-joint failure or center support degrades
• Failure results in clunking or vibration

Locking Hub Service Kit
Seals the front locking hub
600-249: Ford F Super Duty Trucks 2016-04
• Includes all gaskets, seals and screws for a complete locking hub repair
• Easy to install
Failure Mode:
• Four-Wheel-Drive (4WD) system inoperative

Aftermarket Leading Coverage With 1,100+ Drive Shafts Covering Over 160 Million Vehicles - Including Over 500 Exclusive SKUs

Tech Support Available: 1-800-868-5777
### ELECTRONICS

**Air Bag Impact Sensors**
*Alerts onboard computer system in the event of sudden or extreme deceleration*

- **590-232:** Ford, Lincoln, Mercury 2017-09
  - Plug and play design for easy installation
  - Includes mounting hardware for a complete repair (where applicable)

**Automatic Transmission Pressure Sensor Transducer**
*Signals PCM/TCM to shift gears in the transmission*

- **601-215:** Chrysler, Dodge, Jeep, Mitsubishi, Ram 2016-00
  - Plug and play for easy installation

---

**Automatic Transmission Throttle Valve**
*Controls the transmission throttle pressure*

- **609-045:** Dodge Dart 2016-13, Ram 2500/3500 2009-05
  - Restores the ability to shift in and out of gear smoothly
  - Easy installation, no need to disassemble transmission during repair

**Battery Fuses**
*Protects electrical circuits from overload*

- **926-013:** Mitsubishi Lancer 2004-03
  - Restores proper operation to electronic accessories throughout the vehicle
  - Easy to install - no special tools required

---

**Door Window Switches**
*Driver and passenger side switches to open/close vehicle window*

- **901-299:** Chevrolet Trailblazer 2009-06, Trailblazer EXT 2006
  - Designed to match the exact fit, form and function of the original switch
  - Easy plug-and-play installation, no programming required

**High Intensity Discharge Headlight Igniters**
*Ignites electrical voltage to operate vehicle HID bulbs*

- **601-165:** BMW 2010-99; Land Rover 2009-02; Mazda 2008-05; Mercedes 2017-94; Mini 2008-02; Porsche 2004-97
  - Save time and money by replacing the failed headlight igniter, instead of the entire headlight assembly
  - Direct replacement for over one million late-model Acura and Honda applications

---

**Over 45 SKUs Available**

**Over 5 SKUs Available**

**Over 260 SKUS Available**

**Over 5 SKUS Available**
HID Lighting Ballasts
Controls voltage to vehicle headlamps
601-095: Mazda 3 2015-14, CX-5, CX-9 2015-13
• Restores proper operation of your vehicle’s headlights
• An immediate, “must-fix” item - replacement is necessary for passing state inspections

Failure Mode:
• Internal electrical component failure results in inoperable headlights

Information Display Modules
Provides fuel level, outdoor temperature and compass information to driver
599-958: Toyota Tacoma 2009-05

Park Assist Cameras
Captures image behind vehicle when in reverse, reducing blind spots
590-083: Chevrolet, Silverado; GMC Sierra 2009
• Upgraded camera lens provides a wider angle and clearer resolution
• Coating added for additional protection of the electrical components

Failure Mode:
• Corrosion and exposure to environmental contaminants results in image not displaying correctly

OE PROBLEM:
The original unit typically requires replacement due to failed electronic resistors on the internal circuit board.

OE-FIX
Design incorporates upgraded resistors for added durability and to prevent future burnout.
Parking Aid Sensors
Alerts drivers to close-proximity objects
684-063: Ford F-150 2014-09; Lincoln Mark LT 2014-10
• Sensor is sealed to prevent moisture and debris from entering unit
• Comes with matching connectors and fully compatible electronics for a complete repair (where applicable)

Shift Interlock Actuator
Enables vehicle transmission to move smoothly in and out of gear
609-039: Ford F-150 2010-04; Lincoln Mark LT 2008-06
• Built with high-quality electric solenoid
• Housing material protects motor from damage ensuring a longer service life

Trailer Brake Control Module
Activates the trailer brakes along with the vehicle brakes to ensure a safe stop
601-023: Ford F-150 2014-12
• Allows driver to adjust trailer brake force depending on trailer weight and driving conditions

Transmission Control Modules
Combines the valve body solenoids, pressure and temperature switches into one complete unit
609-035: Ford Edge, Explorer, Flex, Fusion, Taurus 2017-07; Lincoln MKS, MKT, MKX, MKZ 2017-07; Mercury Sable 2009-08
• Completely remanufactured and vehicle simulator tested for durability and quality assurance
• Plug and Play, contains all new gaskets, grommets and seals for a direct fit

Engine Cylinder Deactivation Solenoid
Also Known As Multiple Displacement Solenoid
916-511: Chrysler 2009-05, Dodge 2009-05, Jeep 2009-05
• Made of high quality materials for increased durability and a longer service life

Engine Variable Timing Solenoids
Activates variable valve timing by controlling oil flow and pressure
917-241: Lexus 2012-10, Pontiac 2010-09, Scion 2013-05, Toyota 2013-01
• 100% Tested - All Engine Variable Timing Solenoids go through vehicle simulator testing for quality assurance
• Complete Kit - Includes all gaskets needed for a complete repair (where applicable)

Engine Variable Timing Sprockets (A.K.A. Camshaft Phasers)
Adjusts camshaft timing for optimal engine performance and efficiency
917-250XD: Ford 2011-04, Lincoln 2011-05, Mercury 2010-06

OE PROBLEM:
The original sprocket wears leading to poor engine performance.

Dorman’s new rotor design reduces friction and provides smoother engagement for a longer service life, and improves overall performance.

Also Available

918-185: Chevrolet 2012-08, GMC 2012-08, Hummer 2010-08, Isuzu 2008-06, Saab 2009-08
Engine Oil Coolers
Cools and regulates engine oil temperatures

**918-430:** Ford Expedition, F-150, F-250, F-350, Lobo 2014-97; Lincoln Blackwood Navigator 2014-98

- Corrosion-resistant for extra protection against the elements
- Durable aluminum construction for long-lasting performance

**Also Available**

**918-431**
Ford E Super Duty, F Super Duty, F59, F650 2016-08

**Failure Mode:**
- Internal or external leaks results in oil in engine coolant or higher than normal system operating temperatures

**LOCATION OF ORIGINAL BOLT**

---

**OE PROBLEM:**
The original design requires labor-intensive drilling and tapping to remove the original bolt.

**OE FIX:**
Reduces labor time by eliminating the need to remove the cylinder head during installation, significantly reducing repair costs.

**Engine Timing Chain Guide Bolt**
Retains timing chain guide

**917-954:** GM, Buick, Chevrolet, GMC, Oldsmobile, Pontiac, Saturn 2015-00; Saab 9-3, 9-3X 2010-03

---

Engine Valve Covers
Projects cylinder head components and seals oil flow
264-966: Various FWD GM Vehicles 2009-90; 3.8L Eng; Front
• Includes required gasket for a complete installation
• Built with upgraded materials to withstand warping and cracking

Turbochargers
Provides pressurized air to the engine to increase performance
667-203: Buick Encore 2017-13; Chevrolet Cruze, Cruze Limited, Sonic, Trax 2017-12
• Balance tested individually with results included in product packaging
• All installation components included for a complete repair

Vacuum Pump Repair Kit
Seals the vacuum pump mechanism
904-815: Volvo S60, S80, V60, V70, XC60, XC70, XC90 2015-07
• Includes all gaskets and hardware for a complete vacuum pump repair
• Save time, money and labor by replacing the failed original gasket, instead of the entire vacuum pump assembly

Engine Variable Timing Solenoid Gaskets
Gasket used to seal the variable timing solenoid into the cam housing
917-176: Acura RDX, RSX, TSX 2012-02; Honda Accord, Civic, CR-V, Element, Fit 2011-02
• Save time and money by replacing the failed gasket instead of the entire valve timing solenoid
• Easy-to-install, direct-fit replacement

Turbocharger Diverter Valve
Recirculates excess boost back into the air intake when the throttle is closed
911-240: Audi A3, A4, A5, A6, A8, Allroad, Q3, Q5, RS7, S6, S7, S8, TT 2016-05; Volkswagen Beetle, CC, EOS, Golf, GTI, Jetta, Passat, Tiguan 2016-06
• Coated with zinc chromate for corrosion resistance
• Direct replacement for a proper fit

Also Available
917-146
BMW 545i, 550i, 645Ci, 650i, 745i, 745Li, 750i, 750Li, 60i, 760Li, Alpina B7, X5 2010-02

Failure Mode:
• Original O-rings degrade over time causing vacuum leaks resulting in malfunctions in the HVAC system

Product training available at DormanUniversity.com
Capless Fuel Funnel
Used to pour fuel additives into capless fuel tanks
55406: Ford, Mercury; Chrysler; Dodge; Jeep, 2017-09
• Fits a wide range of gas tanks including capless fuel tanks found on popular Ford vehicles
• Ideal for emergency roadside fill ups and when fuel additives are needed

Engine Intake Manifold Flap Motors
Regulates air flow into the motor of the vehicle
911-935: Mercedes-Benz E320, GL320, ML320, R320, R350 2013-07
• Replacement restores fuel efficiency, eliminates stuttering, and enables your vehicle to start and run reliably again
• Replace the piece not the part

Evaporative Emissions System Leak Detection Pumps
Monitors the EVAP system for leaks
310-601: BMW 2016-00; Hyundai 2005-00; Mazda 2009-06; Volkswagen 2017-11
• Helps to reduce atmospheric pollution due to hydrocarbon emissions
• Durable against salt, debris, and other harsh undercar condition

Fuel Lines
Transfers fuel from tank to engine
800-907: Chevrolet Express, G30; GMC G3500, Savana 2002-96
• Constructed of high-quality, fuel-grade, nylon or coated steel for long-lasting durability against fluctuating under hood temperatures (where applicable)
• Easily fits into mating fuel fitting or fuel barb

OE PROBLEM:
Original fuel lines rust from exposure to moisture and corrosive road treatments.

Fuel Lines - Stainless Steel Fuel Line Kit
Transfers fuel from tank to engine
919-840: Chevrolet Silverado; GMC Sierra 2003-99
Upgraded to stainless steel to resist rust and corrosion. Preformed section design solution saves installation time.
Fuel Tank Roll Over Valve
One way valve allows fuel to flow into the fuel tank, blocking fuel from escaping during a rollover

Secondary Air Injection Check Valves
Prevents exhaust backflow from damaging the air pump
911-975: BMW 525i, 530i 2005-04, X5 2006-03, Z4 2005-03
• Fully tested to ensure trouble-free installation and durability
• Replacement restores system performance and efficiency

Secondary Air Injection Pumps
Injects fresh air into the exhaust system to reduce emissions
306-024: BMW 320i, 323Ci, 323i, 325Ci, 325i, 325xi, 328Ci, 328i, 328iC, 330Ci, 330i, 330xi 2005-99
• Quality tested to meet the fit, function and endurance of the original pump

Turbocharger Boost Solenoids
Regulates air pressure to the turbo waste gate actuator
667-103: Audi A3, Q3 2016-15; Volkswagen Beetle, Golf, Jetta, Passat 2016-12
• Vehicle try-on and material tested to meet product standards for quality
• Direct replacement is easy to install and requires no special tools during installation

Vapor Canister Purge Valves
Releases fuel vapor into the intake manifold
911-336: Infiniti QX56 2010-05; Nissan Armada, Frontier, NV1500, NV3500, Pathfinder, Xterra 2012-04
Failure Mode:
• The original valve deteriorates over time, due to vacuum leaks and electrical failure, resulting in illumination of the check engine light

OE PROBLEM:
When the original valve fails, the only repair option is to replace the entire fuel tank assembly, resulting in a costly repair.

OE FIX:
Redesigned inlet valve constructed of high-quality aluminum. Replace the inlet valve instead of replacing the entire fuel tank, saving you money and labor.

OVER 25 SKUS AVAILABLE

OVER 20 SKUS AVAILABLE

6 SKUS AVAILABLE

OVER 90 SKUS AVAILABLE
Vapor Canisters
Stores excess fuel vapors from the gas tank until ready to be released into the combustion chamber

911-661: Subaru Forester 2008-04, Impreza 2007-04

- Replacement helps control hydrocarbon emissions from being released into the environment
- Direct replacement for a proper fit every time

Also Available

911-305
Ford 2004-97, Lincoln 2002-98

Vapor Canister Shut-Off Valves
Restores on-board diagnosis of the EVAP system

- High-quality metal and plastic housing for resistance to harsh road and weather conditions
- O-ring included (where applicable)

7 SKUS AVAILABLE

Air Conditioning Bypass Pulleys
Replaces seized air conditioning compressor to restore vehicle function without shortening belt

34278: Dodge Dakota, Ram 1500 2007-04; Jeep Commander, Grand Cherokee 2007-05; Mitsubishi Raider 2009-06

- Mounting bracket included for a complete repair
- Eliminate the need to install a completely new A/C compressor

Failure Mode:
- Seized air conditioning compressor, resulting in a broken serpentine belt

Coolant Heat Storage Tank Pump
Circulates water in the coolant heater storage tank

902-611: Toyota Prius 2009-04

- Made of high-quality materials for a longer service life
- Easy to install

Engine Coolant Filler Necks
Transfers coolant

902-696: Buick Terraza 2007-06; Chevrolet Impala, Monte Carlo, Uplander 2011-06; Pontiac Montana 2009-06; Saturn Relay 2007-06

- Designed to withstand extreme changes in temperature that frequently cause the original housing to become brittle, crack and leak
- O-ring included for a complete repair

Heater Water Pump
Ensures proper coolant flow throughout the vehicle’s heating system

902-610: Toyota Prius 2009-04

- Constructed of high-quality materials for increased durability and longer service life
- Direct replacement for a proper fit every time

HVAC Heater Control Valve
Controls coolant flow from the engine to the heater core, providing heat to the passenger compartment

601-021: Toyota Prius 2009-04

- Ensures heating system functions properly

Also Available
Buick Allure, LaCrosse 2009-05; Chevrolet Impala, Monte Carlo 2005-04; Pontiac Grand Prix 2008-04

Jeep Grand Cherokee 2004-99, Wrangler 2006-00

HEATING & COOLING

HVAC Heater Hose Assembly
Ensures proper coolant circulation
626-315HP: Chrysler Town & Country 2016-11; Dodge Grand Caravan 2017-11

OE PROBLEM:
Original Y-connectors are made of plastic and frequently crack and leak.

Dorman upgraded the Y-connector material to aluminum for increased durability and a longer service life.

Also Available
626-540
Ford Expedition; Lincoln Navigator 2010-07

626-551
Ford Explorer; Mercury Mountaineer 2010-06

Turbocharger Coolant Line
Drains coolant from the turbocharger
625-806: Subaru Baja 2006-04, Legacy, Outback 2009-05

• 3/8” nylon fuel line retainer/connector
• Easy to install - No special tools required for installation

Failure Mode:
• Failure results in coolant leaks

Also Available
625-807
Subaru Legacy, Outback 2009-07

Tailgate Latch
Restore the ease of opening and closing your vehicle’s tailgate

Camshaft Bolt
74114: Buick, GMC 2017-10, Cadillac 2017-13, Chevrolet 2017-06, Pontiac, Saturn 2010-06

Windshield Washer Cap - Honda
Direct replacement

Leaf Spring Bolt
Direct replacement
03900: Dodge 2010-97, Mitsubishi 2009-06, Ram 2011

Antenna Base Plate Gasket - Honda
Creates water tight seal between antenna base and body
76011: Honda Civic 1995-92

Wiper Cowl End Seals
Replaces often lost or damaged cowl ends without the need to replace the entire assembly
30020: Ford F-150 2008-04, Lincoln Mark LT 2008-06
Spare Tire
Restores drivability of vehicle after a flat tire
• Ideal replacement part as the spare tire and wheel are no longer standard equipment for popular Hyundai vehicles
• Easily fits within factory storage compartment

Spare Tire Hoists
Holds spare tire in place underneath the vehicle
924-641: Buick Rendezvous 2007-02; Pontiac Aztek 2005-01
• Coated finish to prevent rust and corrosion
• Includes mounting hardware for a complete repair (where applicable)

Spare Tire Jack Handle / Wheel Lug Wrenches
Direct replacement spare tire tool kit
926-809: Dodge Ram 1500 2010-03, Ram 1500 2017-10
• Constructed of steel and powder-coated for long-lasting durability
• Includes tool kit sleeve and easily fits within the vehicle storage compartment

Alloy Wheels
Mounts tire to wheel hub
939-600: Pontiac G6 2009-05
• Comprehensive program of direct-fit replacement wheels
• Fully compatible with original wheel covers and all TPMS sensors

Alloy Wheels Also Available
939-612 Nissan Sentra 2006-04
939-603 Toyota Camry 2014-12
939-616 Volkswagen Jetta 2007-05
939-618 Toyota Sienna 2007-04

Steel Wheels Also Available
939-190 Ford F Super Duty 2015-08
939-163 Dodge Ram 4500/5500 2010-08, Ram 4500/5500 2014-11
